A Window into Another World

At the Two Oceans Aquarium, our mission is to inspire action for the future well-being of our ocean.

Conveniently situated in the V&A Waterfront, the Two Oceans Aquarium is renowned for its magnificent marine displays as well as its distinctive function and conference venues in Cape Town. Host an event in front of one of the iconic exhibit spaces, or move into The Avenue for larger events and our experienced functions and events team will take care of your needs, from setup and audiovisual equipment to sustainable catering and décor.

When it comes to iconic venues in Cape Town, the Two Oceans Aquarium ticks every box. This versatile, otherworldly events facility thrills without fail, adding an unexpected dimension of fun, fish and glamour to every event. Whether you are planning a large corporate year-end function, a small intimate strategic session, multi-day conference, or a show-stopping gala dinner, the Aquarium's experienced team takes care of your every need.

While the magical setting is beautiful enough in its own right, the Aquarium can nonetheless be transformed into settings fit for any event with the tasteful and creative application of décor and styling. The flexible food and beverage offering is freshly prepared on-site by a team of seasoned professionals and our kitchen is Halaal certified by the Muslim Judicial Council of South Africa.
